TOTAL HEALTH CARE

IS OUR GOAL!

THIS CARD IS NOT INSURANCE

BACHRxCARD

WHEN CAN I USE THE PRESCRIPTION CARD?

To reduce the price of medications for me if I do not have insurance.
I have insurance and the discount on the medication is a price less than my copay.
To reduce the cost of medications during my deductible period if I have insurance.
to discount medications that my insurance does not cover.

HOW DOES THE CARD WORK?

Your prescription card provides discounts on all medications at over 65,000 pharmacies. Put this card in your wallet - present it when getting your medications at your pharmacy. Save between 10% and 75% - There are no fees to use the card. Every is accepted - One card covers your entire family. Earn rebates from manufacturers, which will be mailed to you on a debit card.
